MEMPHIS FERTILITY LABORATORY, INC.

AGREEMENT FOR INTRAUTERINE INSEMINATION WITH HUSBAND SPERM

- 1) We (*name of Wife and Husband*), _____, the undersigned, are Husband and Wife and desire, but have been unable, to become pregnant. We therefore request, authorize, and consent to the performance of intrauterine insemination (IUI) on Wife with Husband's sperm.
- 2) We understand and acknowledge that Kutteh Ke Fertility Associates of Memphis, PLLC (FAM) is a medical practice in reproductive endocrinology and will be managing our IUI care and performing our procedures. Memphis Fertility Laboratory, Inc. (MFL) is an independent laboratory responsible for our IUI laboratory testing and services including blood hormone assays, semen analysis, and sperm preparation.
- 3) We acknowledge that a successful pregnancy after IUI cannot be assured and that neither FAM or MFL has made any such representation or guarantee.
- 4) We fully understand that insurance coverage for IUI may not be available and that we will be personally responsible for the expenses of this treatment. The expenses may consist of hospital charges, laboratory charges and/or physician professional fees.
- 5) We release FAM, MFL, their agents, servants, or employees from any and all liability from complications of childbirth, delivery or from the birth of an infant or infants abnormal in any respect which may arise in connection with or as a result of the IUI herein authorized.
- 6) We each acknowledge that we have fully reviewed and comprehend the contents of this Consent Form. The nature of IUI has been explained to us, together with the known risks. We understand the explanation that has been given us and that there may be unknown risks. We have had the opportunity to ask any questions we might have and those questions have been answered to our satisfaction. We acknowledge that IUI is being performed at our request and understand that we may elect not to continue with the procedure at any time and that this decision would not affect any other present or future medical care and treatment from either FAM or MFL.
- 7) With full knowledge and understanding of the attendant risks and consequences of our participation, we each consent and agree to participate in IUI. We each acknowledge and affirm that we have given our consent and entered into this agreement without coercion or compulsion and of our own free will.
